Dear Members of the CCCC,

Today I would like to use this column to honor one of our long-time members, Jan Jorgensen. Jan joined the CCCC many years ago as you can see by his membership number 64502. Quickly he became an OM and then, a few years ago, he took on the task as Director of Records and Statistics. He issued a few times a year the most useful reports of active members and still today checks up on members who have seen little activity in the past few years.

His health forced him to give up this position but he is still very active hiking the world. He has been to the USA numerous times trying to hike in all 50 States, he, of course, hiked in all European countries and many Asian ones.

Jan, we all wish you many more years of hiking and of course sending out circuits.

PLEASE KEEP ATTACHED TO THE CIRCUIT
