## IMPORTANT

Our OMs are sending out many circuits but one of the problems always is that too  
many of them never find their way home. One reason may be that the letter got lost in  
transport or one of the four members is not forwarding.

I would like to make the following suggestion: **if you are on the internet and know  
the e-mail address of the OM whose circuit you have received, please email him  
or her that Circuit No..... has arrived and will be forwarded promptly.** In that way  
it will be much easier to track down the few of our members who do not forward. It will  
have the additional benefit of getting a personal note from a member one may never  
have corresponded with. Please comment if you have a better suggestion.

## CONVENTION, CONVENTION, CONVENTION

Dear CCCC member,

Again a year has passed and I want to wish everyone a very happy and  
healthy New Year and may you have much pleasure with your stamp and  
cover collection. I hope that the CCCC will be an important source for stamps  
and covers for you. And again I invite you to give me suggestions how we can  
run the CCCC more smoothly and what I can do to be helpful with your  
philatelic needs. We are looking forward to an exciting year and I hope that  
many of you may be able to come to our CCCC meeting and I can get to k  
now you or revive old friendships.

The CCCC Meeting will take place on August the 8th to the 11th in Milwaukee  
in conjunction with a stamp show organized by the APS. Mark Goodman, our  
OM from Sparta, Wisconsin who is co-chairing this event with me, plans to  
have ample time for sightseeing and at the same time attend First Day Cover  
ceremonies.

In the evenings we hope to have a meeting for all CCCC members who are  
present, maybe even have some stamp and cover exchanges and programs  
of general interest. For example I have to prepare for another group in June a  
power point presentation on Kayaks on stamps and may bring the disk along  
for an evening meeting. You also may have something to contribute and  
enrich our knowledge of the events represented on your country's stamps.

We also have decided to have a society booth at the show and for this we  
need plenty of material to show visitors what the CCCC is all about. I have  
been thinking of displaying stamps and covers on two or three major  
themes--One on energy conservation, ongoing green and one on the national  
holidays in your country. Another possibility would be sports as a topic as that  
is of interest to just about anybody.

Over the next few months please send FDCs, special cancels and stamps on  
these themes to Mark or me and I hope that we can get a good combination of  
material from many different countries. If you can send us philatelic materials  
on these themes, please let us know what we can mail to you in return.

Information on accommodations will be available by next month but if you  
intent on coming, please let us know soon so that we can reserve rooms. I am  
getting quite excited about this meeting and hope to see many of my friends at  
that time.

**PLEASE KEEP ATTACHED TO THE CIRCUIT – DO NOT REMOVE**
