January 2015

Starting 2015

As we enter this New Year let us review how we stay connected in CCCC. This club depends on the work of every member. Your contribution is important

First, handling the mail. With the efforts of several members we now have updated member lists available to OMs. But the truth is that day by day that there are address or other changes. That means that every once in a while we each receive a returned circuit where the address was incorrect. When this happens please do two things: 1st, send the circuit on to the next member listed. 2nd, Let the OM and me as your MD know that the listing was incorrect. It is unfortunate when a circuit dies because of a bad address.

Second, evaluating the covers. To get excellent covers we must send excellent covers. Please remember to rate every cover which you receive. The club standards are on the reverse of the circuit form. It is unfair to down rate a cover simply because it is not on your personal topic or collecting interest such as the newest issued stamps. Some OMs create wonderful covers with original artwork or unusual stamps. We should recognize their talent. Soon we will have an online place for you to report the most excellent covers received.

Enjoy 2015! Happy covers to everyone!

Richard Speer MD-9
