Don't do a "No No"

Most negative comments which I receive about members concern the covers which they send. Common problems are easily avoided. Honor our fellow members by avoiding these "No No" errors:

- #1 Only one circuit per cover. Stuffing several circuits in a single cover shortchanges other members.
- #2 Keep stamps away from edge of cover. I've even seen examples where stamps were over the edge and certain to be damaged.
- #3 Please-no damaged stamps or stamps taped in place.
- #4 Forward covers promptly.

Remember that if you rate a cover as poor you should send to me at HQ so that we can help members send better covers.

Richard Speer MD-9

PLEASE KEEP ATTACHED TO THE CIRCUIT
