## Gifting and Getting

We now are in a season when many people give and receive gifts. CCCC as a circuit club is a ring where we give one another the gift of covers.

Some thoughts:

- We all strive to give good gifts. Let us always seek to give excellent covers.
- All gifts are welcome. I am thankful for the many interesting covers and stamps which I receive. Often they alert me to things far beyond my normal collecting interests.
- A gift is a gift, not something we purchase. Thanks to those members who include a note that what they sent is given without expectations in return.
- Giving is sharing. When we send things of interest to other members we are sharing our love of our hobby. Enjoyment is contagious.

One other thought – Our hobby is something we do for simple pleasure. When we see efforts to force exchanges or OMs who are excessively insistent that a form 10 must be accompanied by stamps I wonder if they have lost their joy in the hobby.
