## Modernizing CCCC

When CCCC was founded Originating Members [OM] were almost exclusively from the USA. Our membership has changed. Currently less than one half of one percent of CCCC members are from the USA. So now our membership structure needs to change to reflect reality.

#1 All new members are equal. Any member may register with the Managing Director as an OM after one year of membership. OMs start circuits and will receive emailed monthly membership updates including members desiring more mail.

#2 The alphabetical membership codes have fallen out of use and will no longer be maintained. Membership number is sufficient.

We need OMs to start more circuits. Picking three members from the "more mail" list and adding a fourth member from a country from which you desire a circuit completes your work. If OMs do this once
