## 75 Years of Covers

March 2017 marks 75 years of our Cover Collectors Circuit Club. That amounts to several million covers sent and received. That is a lot of worldwide enjoyment.

We need to remember the diversity of our collecting interests. Some of our members are mostly interested in receiving new stamps. Some are interested mostly in covers as artistic objects or as memento of as many countries as possible. Some desire stamps or covers on certain themes.

When you create a cover consider any interests listed for the next member.

We who have theme interest need to remember that not all countries issue stamps on all themes. Some countries do not have a wide variety of stamps available.

Sometimes political or financial changes make interesting covers such as when stamps continue in use after political or currency changes. If, like myself, you are fascinated by postal history these often create "one of a kind" collectable covers.

Celebrate our CCCC history.

Enjoy creating and receiving the postal covers of the world.
