## Our Slow Motion Hobby

Usually CCCC members forward circuits promptly. Yes, I know that delays sometimes happen because of travel or health but for the most part members do a diligent job in sending circuits forward with interesting stamps and a nice cancel.

But it still takes a long time for some circuits to make their way back to the OM. I rarely see one of my circuits completed in less than three months. Sometimes I receive a completed circuit only after a year or more. So do try to keep circuits moving promptly.

We all have heard the jokes about the post office being "snail mail" instead of electronic mail. While most of us also use e-mail, let us try to keep the snails moving faster

**PLEASE KEEP ATTACHED TO THE CIRCUIT**
