## Meet A Member Mr. Roman Sudzik

It was a pleasure to hear from Mr. Roman Sudzik and receive the cover shown below. Roman is a retired military physician but now works part time as a civilian physician. Roman collected stamps of many topics in the past with his favorite topics being lighthouses and waterfalls.

Roman mentioned that whenever he sends covers for CCCC members he makes a point of trying to get the member a pictorial cancellation and tries to make sure that the stamps and cancel are related to the that person's interests.

Roman also provided some information about purchasing stamps

from the Polish Postal Administration. He points out that many of the new issues are only available at main post offices in larger cities. It can be difficult to purchase complete sets of stamps at some of the post offices in smaller towns. Many times the smaller post offices only sell stamps from the set that are popular and sell well making it difficult to get complete sets.

If you would like to see recent new issues from the Polish Post you can go to <http://www.poczta-polska.pl/znaczk/en/index.php>.

Thank you Roman for letting us know about the Polish Post.
