Checking in with Holger Kaufhold Director of Statistics & Records

After the first CCCC gathering in May 2007 in Antwerp Belgium I took over the job as CCCC Director of Statistics & Records.

Since then I have issued two checker reports. I issue a new checker report every three months. For my November report I processed 107 reports I received from OM's and CM's in 33 different countries.

If anyone is interested in joining the checker group, a checker form is available either by regular mail or via e-mail.

As thank you for the effort of the checkers, they receive an "honour cover" mailed from an exotic location. In November I sent honour covers from St. Vincent, Guernsey, Isle of Man, Alderney and Gibraltar. Volunteers that can help me send honour covers from an exotic location are needed and most welcome!!! Please get in touch with me.

As an OM I am quite busy mailing between 60 and 100 circuits every month.

Every day I spend about one hour entering scores into the master report. The checker report is a helpful tool for all active OM's, they can see which members are active making it easier to choose members for their circuits. Members that receive a low rating for their cover are sent a letter explaining any problems with their cover and how they can improve them.
