A Note From the CCCC Headquarters...

Hoger Kaufhold has taken over as Director of Statistics and Records and would like for you, from now on, to send all checker reports to him. Please e-mail or write to get the Forms that he will prefer to use. This job requires many hours of record keeping and with using the forms he prefers, we all make his job much easier. And, if you could list your checker contacts in numerical order, that would help enormously.

All records that have been mailed to me, have either been included in the master list already or have been forwarded to Holger.

Liubomir Grueff kindly sent a letter and the cover below from Dobrich Bulgaria. According to Liubomir Bulgaria Post makes all stamp issues available to customers for three years after they are released. While various envelope sizes can be sent via Bulgaria Post, the C6 envelope is used most often and measures 144mm X 162mm.

Liubomir would like to receive more circuits from members in France, Ger-

many, Israel, Switzerland and the United Kingdom.

In addition to forwarding circuits from Bulgaria Liubomir can provide stamps from Bulgaria, France, Germany, the United Kingdom, Switzerland and the U.S.S.R. to members that would like to trade.
