## News From Headquarters

**Renate Thompson**

The question has come up again about OMs charging a fee, usually 25 used stamps for servicing a Form 10. Some of the members have complained about the additional cost. As some OMs have been doing this for years I can only make the following suggestion: find a few OMs who do not require any stamps to be mailed to them. I discourage this habit as much as I can and mostly the newer OMs do not charge a fee. Do find a few good mailers among them.

plan an hour with promoting our club. I can mail to you brochures and applications. If we would get just one new member from each country we would look much more optimistic into the future of the CCCC.

For many years we have been the largest cover club in the world and I would like to see it continue to be in the future. Any questions or suggestions? Please get in touch with me at (919) 467 9575 or via e-mail [bandart@bellsouth.net](mailto:bandart@bellsouth.net).

Due to age etc. we have lost several good members recently and it seems that we are not getting enough new members to fill their place. If you belong to a stamp club etc. please

Please also note that Kumar Fernando, "Brooklyn" 80300, Am-balangoda, SRI LANKA is now authorized to issue circuits as OM "ES".
