Fred Demers passed away February 8th at the age of 93. He was always very proud of his affiliation with CCCC and wished that he could have kept up with his covers. I will miss talking about stamp collecting with him, and his enthusiasm was influential in my interest in cover collecting and my becoming a member in 2002. I know that he will be missed by his many good friends in the philatelic community. He always asked if I had received any covers from Mongolia and I shared them with him. Although his eye sight had deteriorated he always enjoyed the large stamps from Mongolia.
